**Work Experience in OPD:**

I have worked in the Department of General Medicine at Dr. VikhePatil Memorial Hospital, DVVPPF's Medical College, Ahmednagar as a resident. The Department of General Medicine of the Dr. VikhePatil Memorial Hospital is a tertiary referral center for Medical diseases.

The department runs a general medicine outpatient clinic 6 days a week.

Department also runs a speciality clinics in Cardiology, Endocrinology, Nephrology, Gastroenterology, Neurology, Hematology and HIV & TB.

The department has equipment with TMT, EEG, ECG and PFT.

The teaching activities of the department include journal clubs, seminars, clinic-pathological correlation, case presentation, lectures, and guest lectures.

The department also runs inpatient service for patients

**Inpatient department:**

Inpatient ward consists of 150 beds out of which around 115 to 120 patients were present from 5 units with daily admission of approx 20 - includes mix patients like Stroke, Paraplegia/Quadriplegia, SACD, Syringomyelia, Parkinsons, Bell's Palsy, COPD, ILD, Bronchiectasis, Kochs, Pneumonia, Pneumoconiosis, Valvular Heart diseases, Congenital Heart disease, IHD, CorPulmonale, Cardiomyopathy, DVT, Infective Endocarditis, Gastroenteritis, APD, ALD, Liver Cirrhosis, Viral Hepatitis, IBD, DM, CKD, etc. HIV and HIV related opportunistic infections.

I have also managed patients of ARDS, TRALI, Acute MI, Ventricular Arrhythmias, Heart Failure – Pulmonary Edema, Atrial Fibrillation/Flutter, AV block with pacing, Pulmonary Embolism, Community & Hospital acquired Pneumonia, Acute Exacerbation of COPD/BA, Acute Liver Failure, Acute Upper/Lower GI Bleeding, Acute Pancreatitis, Hepatorenal Syndrome,

Dyselectrolytemias, Fluid & acid-base imbalance, Endocrinal emergencies like DKA, HHS, Adrenal Crises, Hypoglycemia, Thyroid Storm, Myxedema coma, Pheochromocytoma, etc., Hypertensive emergencies/urgency, Intoxications/Poisonings, Meningitis, Encephalopathies, Stroke/TIA, Status Epilepticus, GBS/AIDPs, Alcohol Withdrawal syndromes, AKI, CKD, Tumor lysis Syndrome, Hyperthermia related illness and Shock in an ICU setup.

I have worked in the department from 2015 to 2018. As a resident, I had the responsibilities of clinical work and as well as teaching the undergraduates. I have currently also contributed to the departmental work through ongoing research projects.

#### **Extra-curricular Activities:**

Clinical Meet on “Case Presentation- Cryptococcal Meningitis with Tubercular Meningitis in HIV negative patient” at DVVPF’s Medical College, Ahmednagar.
